**SUPPLEMENTAL AMENDMENT**

Sir:

Applicant submits the following Amendments and Remarks.

Applicant acknowledges with appreciation the telephone conference of August 8, 2006 with Applicant's counsel. As discussed below, during the conference Applicant's representative and the Examiner discussed the status of the Office Action issued herein on July 19, 2006 and agreed that it was to be withdrawn in light of Applicant's having filed a Request for Continued Examination on June 30, 2006 (prior to the issuance of the Office Action) with a Preliminary Amendment canceling claims 1-4 and 6-36, which were the subject of the Office Action, and adding claims 37-48. Applicant's representative also informed the Examiner that Applicant was considering filing a Supplemental Amendment, and would do so shortly. This Supplemental Amendment is that filing, and it adds new claims 49-98 as discussed below.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those which may otherwise be provided for in documents accompanying this paper; however, in the event that additional extensions of time are necessary, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a).

The Commissioner is hereby authorized to credit any overpayment or charge any deficiencies to Deposit Account Number **06-1448, Reference NOD-00201**.

Please amend the above-identified U.S. patent application as set forth on the following pages.
